Arrival at Gatwick Airport

Our IP staff member Bruna will be waiting for you in the arrival hall at the airport. You will recognise her by the dark blue IP Shirt or hoodie as well as an A4 IP – International Projects sign. Together you will go to the pick-up spot for busses, where a coach will be waiting for you to take you to Bournemouth. You will be dropped off in front of the Europa School of English. Our staff member will guide you into the school, where you will have a Welcome Meeting. The Welcome meeting will be done with both groups together after their arrival. During the Welcome Meeting our IP staff member will hand out welcome packs with all necessary information, like the week's programme, a city map, contact details etc. After the Welcome Meeting you will be picked up by your host families and the group leaders will be accompanied to their hotel.

First school day

After breakfast in your host family you will have lessons at Europa School of English. On the first day of school you will start at 9.00 am with a placement test, which is an essential part of making sure you are placed in the correct group for your language level. Should you feel that you are in a course that is too easy or too difficult, please speak with your teacher or Director of Studies. IP will provide you with a pen and folder with paper to take notes. Your teacher will provide a workbook. At the end of the course you will receive a certificate for your language level according to The Common European Framework of Reference for Languages.

After the lessons you can eat your packed lunch, provided by your host families, in our IP ocean lounge.

At 2.15pm, depending on the schedule, one of our IP staff members will pick you up in our bistro and start the afternoon programme; see next page for more information.

Departure to Gatwick Airport

On **Tuesday, the 9th of May** you will depart from the school around **11.30am / 13.00am**. Please make sure you get up on time and your suitcase is packed. Your host family will bring you to the school in the morning by 9am. Our IP staff members will meet you there and bid farewell at the coach. You will arrive at the airport soon enough to have enough time to check in without hurry.
